The trails starts with a strong downhill unpaved track to Chiqueda. You bike along river into a small canyon. The (single track) trail is technically challenging and moves you up and down on the beautiful hills on your way to Pedreiras, mostly unpaved tracks. In Pedreiras, close to the church you have various café's to enjoy a break. On your way back you have mostly unpaved tracks through the forest directly at the foot of the Serra dos Candeeiros. Once you cross the motorway IC2, you follow small and quiet streets through the wine yards and olive tree fields.
